BAND BIO

Thin Dark Line is an intense five-piece rock band out of Baltimore, Maryland. They formed in 2002 when brothers, Bryan and Mike Barnes, brought the concept to fruition. Soon joined by Brent Kaminski and Mike Lawson, TDL has been astounding audiences with an exhausting live show ever since.

Thousands of sales of two self released EPs and shows with some of the industries biggest acts, like The Used, Thrice, Finch, and My Chemical Romance, caught the attention of Florida based label, One Eleven Records (The Spill Canvas, This Day & Age). After months of writing and pre-production, Thin Dark Line hit the studio with producers Matt Squire (Northstar, Midtown, The Receiving End of Sirens) and Paul Leavitt (Over It, Don't Look Down).

Thin Dark Line is among the hardest working bands on the scene which is evident by TDL's philosophy as stated by lead singer Bryan Barnes, "Thin Dark Line will not rest until its mark has been made on the indie scene." Their One Eleven debut, The Resolution, will be released on October 25.
